As Denis knows, I have saved as much as I could through time. We even rescued some of his work that EA had abandoned in a wet storage area before it was ruined. But did need some restoration.

All the SURVIVING concept art. Archiving was not high on our list in those days.

@Denis_Loubet is 1 of the visual artists whose work has stuck with me ever since I discovered it in my youth.

Only other artists I can say that about are @monkeyhousejeff, Jaquays, Otus, Roslof, Trampier, Elmore, Parkinson, Caldwell, Larry Hama, & Derek Riggs.

Ha! I'll happily share a slot in that particular rogues gallery! Lot of great talent there. I'm honored.
